St. Andrew's Christmas Novena

On November 30, we celebrate the feast day of St. Andrew. This is also the first day of the St. Andrew Christmas novena. People have been praying this special novena for over a century.

Origin of the Novena

Due to St. Andrew's many travels around the globe, many countries have a strong devotion to him. The Christmas novena traces back to 19th century Ireland. It has been passed down and grown in popularity over the years and is one of the most popular novenas to prepare for the Christmas season. It is said by people all over the world.

How to Say the Novena

Every year, the novena begins on St. Andrew's feast day: November 30.

It is prayed 15 times a day until Christmas Eve. The St. Andrew Novena provides a steady rhythm of devotion amidst the busyness of the holiday season. Praying 15 times a day may seem daunting but it doesn't have to be. This simple prayer can be said while you wash dishes, put away groceries, or drive to work. It can also be broken into sets of 3 prayers following each decade of the Rosary.

By reciting this brief prayer throughout the day, we can anchor our minds on the mystery of the Incarnation, offer personal intentions, and enter into the joy of the Nativity with renewed faith and quiet expectation for the coming of Christ.

Tradition holds that the St. Andrew Novena is a powerful prayer for specific, heartfelt intentions. If you piously pray the entire novena, your prayer request will be answered. Bringing your personal requests to God each day reinforces trust in His providence as you prepare to celebrate the gift of His Son.

Hail and blessed be the hour and moment in which the Son of God was born of the most pure Virgin Mary, at midnight, in Bethlehem, in piercing cold. In that hour vouchsafe, I beseech Thee, O my God, to hear my prayer and grant my desires through the merits of Our Savior Jesus Christ, and of His blessed Mother.

Amen. St. Andrew, pray for us!
