In 2021, the Missouri Legislature created the MOScholars scholarship program that can provide scholarships each year for qualifying students. Families can use these funds to create a customized educational experience that meets their children's unique needs.

To qualify for MOScholars, the student must be a legal Missouri resident who meets one of these four conditions:

1. Has a formal IEP/ISP issued within the past 36 months; OR
2. Has a household income under 300% of the reduced lunch threshold AND either:
   a. Going into K or 1st Grade; OR
   b. Attended public school for a semester the immediate prior year; OR
   c. Is a sibling of a renewal scholarship student.

2	$120,102
3	$151,626
